A. SIGNIFICANT ITEMS

None to report.

B. OTHER ACTIVITIES

25X1A

1. [REDACTED] visited Defense Language Institute on Monday to discuss their facilities for training foreign language monitors. The bulk of their monitor training is done at the West Coast Facility in Monterey and they are willing to accept small numbers of students on a space available basis.

2. The three-week project in teaching English as a foreign language which we are undertaking for WH began on Monday and is proceeding nicely. The Division will reimburse us for all costs.

3. LTS appears to be in the middle of as much of a summer slump in enrollment as we normally experience, with 17 full-time, 48 part-time classes, and 27 tutorials in progress. The downward trend will probably continue until near or after Labor Day.

4. Plans are being coordinated with [REDACTED] for testing in Spanish to begin in the week of 2 August. Returns are not yet in on the number to be tested, but it will probably be less than 200.
